

If you've already registered, click the Login button from the Master ABA home page.

When you see the login screen below, select "Log in with username and password":

Enter your username and password in the login screen:

Email Address

Password

Remember Me

**Log In**

OR

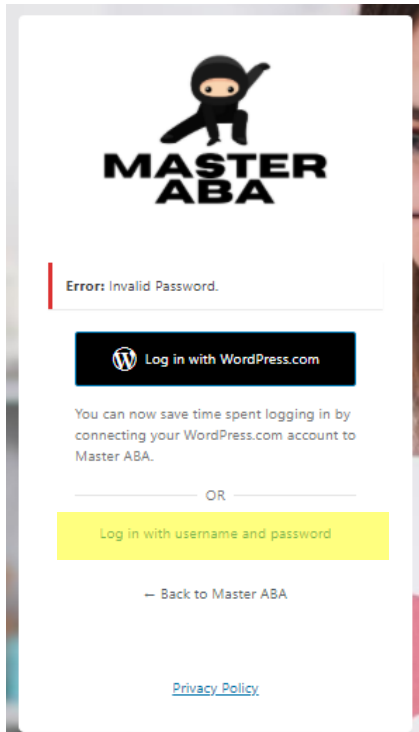

[Log in with WordPress.com](#)

[Lost your password?](#)

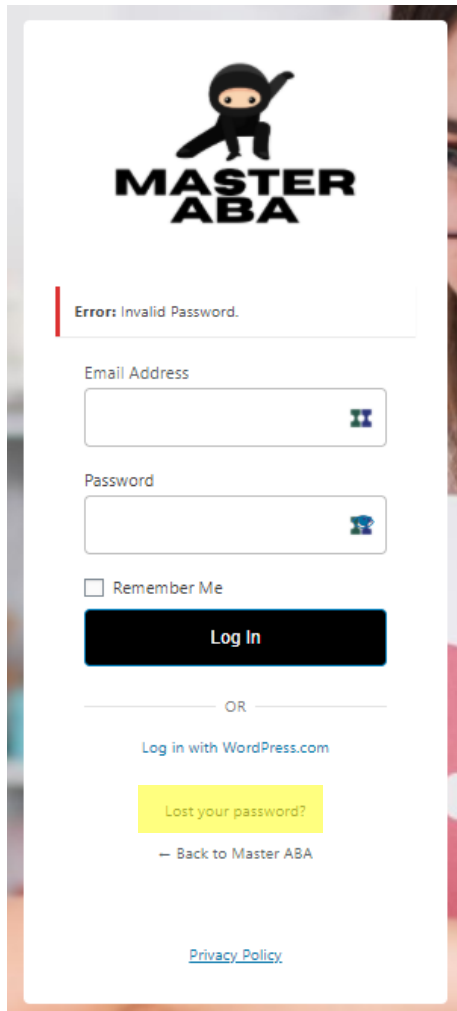

[← Back to Master ABA](#)

[Privacy Policy](#)

If your username or password is incorrect you will see the below error. To try again, click the “Log in with username and password” link:

If you need to reset your password click the “Lost your password?” link:

The image shows a login page for 'MASTER ABA'. At the top is a logo featuring a black silhouette of a person with arms raised, above the text 'MASTER ABA'. Below the logo is a red error message box that says 'Error: Invalid Password.'. Underneath are two input fields: 'Email Address' and 'Password', each with a blue eye icon for toggling visibility. There is a 'Remember Me' checkbox and a black 'Log In' button. Below the button is a horizontal line with 'OR' in the center. Underneath that is a blue link 'Log in with WordPress.com'. A yellow button with the text 'Lost your password?' is highlighted. Below it is a blue link 'Back to Master ABA'. At the bottom is a blue link 'Privacy Policy'.
