Fidelity Checklist for Reinforcement

Steps	Date:	Date:	Date:	Date:	Date
1. Selects a known reinforcer or conduces preference assessment.					
2. Identifies opportunity for reinforcement based on identified behavior targeted for reinforcement.					
3. Delivers reinforcement within 3 seconds of targeted behavior.					
4. Delivers reinforcement contingent only on identified behavior (i.e. does not deliver for non targeted behaviors).					
5. Pairs tangible reinforcement with social praise.
